Dear Ms. Darcy,

I am excited about the Junior Graphic Designer role at Pentagram. As a recent CSE graduate with a passion for innovative design, I am drawn to Pentagram's iconic work and collaborative culture. My proficiency in Adobe Creative Suite, eye for detail, and adaptability align with your creative vision. I am eager to contribute my skills to Pentagram's impactful projects. My CV highlights my design education, versatility, and experience collaborating on diverse teams. I look forward to the possibility of joining your renowned team.

Sincerely,

Shamsee Subah

PROFILE

I am a dedicated and passionate constant learner, driven by an insatiable curiosity to explore and acquire new knowledge. Embracing every opportunity as a chance to expand my horizons, I thrive on challenging myself to master new skills, tackle unfamiliar subjects, and adapt to evolving situations. With an open mind and a commitment to growth, I eagerly engage in diverse experiences, always seeking to broaden my perspective and contribute a dynamic, adaptable, and innovative approach to any endeavor.
